

HONING STEEL STUDIES

PROVERBS 27:17

TOPICAL STUDIES FROM BIBLICAL PRINCIPLES

Please read chapter 3 of *Measure of a Man* for our study on Thursday, December 3 at 7:00 p.m. (If you haven't purchased the book, please come anyway and you can get it later if desired.)

The following questions will be discussed. Please review and reflect on these in preparation for our time together.

“Maintaining Moral Purity”

1. Why does Paul in both his letters to Timothy and Titus list moral purity—“husband of one wife”—immediately following “above reproach?”
2. What are some specific things we can do to maintain moral purity? What has worked in each of our lives? What hasn't worked?
3. What are some things we can do to begin communicating with our wives? How can we be honest without our wives feeling threatened?
4. Why do some men have more difficulty in maintaining moral purity?
5. How can we avoid sexual addiction? If this is already a problem, how can we overcome it?
