PROVERBS 27:17

TOPICAL STUDIES FROM BIBLICAL PRINCIPLES

Please read chapter 11 of *Measure of a Man* for our study on Thursday, January 7 at 7:00 p.m. (If you haven't purchased the book, please come anyway and you can get it later if desired.)

The following questions will be discussed. Please review and reflect on these in preparation for our time together.

“Handling Anger Appropriately”

1. What have you discovered is the best way to handle your anger?
2. What do you do when you feel you have no place to go to share your angry feelings?
3. What experiences can you share in which you have seen anger out of control? What happened?
4. Do you know someone who has an anger problem and needs help? Can you share this need for prayer without violating a confidence?

Write out one goal you'd like to achieve as a result of this study.
