

Social Story for Awana-- T&T

On Wednesdays, I go to Awana. When we get there, I get checked in. After an adult checks me in, I go in to club. I meet with my leader and we say our verses. Sometimes it can be frustrating to say my verses because I can get confused. It is okay if I get confused. I will stay calm. My leader or another adult can help me. I will stay calm. If I don't get it right, I will try again. I can go back to my table to practice with my leader or by myself. I will ask for help if I need it.

Then, at about 7:00, we will go to gym. It is okay if I do not have my verse memorized by then. I will not get frustrated. I can try again later.

When I get to gym, I will sit quietly and listen for directions. The gym leader will tell us what we are going to play. If I do not understand the rules, I will ask questions. I can ask the gym leader or another adult in the room. If I need water, I will ask for permission to leave the gym for a drink. If I get upset, I will take a deep breath. I can go get a drink of water or ask to take a break in the Thrive Room if I am having trouble calming down.

After gym, we will go back to the fellowship hall. I will either go to small group or large group.

When I go to small group, I will sit in my chair and listen to my group leader and my peers. I will ask questions if I have them and answer questions if I want to. Otherwise, I will sit quietly because that is respectful. We might talk about prayer requests or a Bible lesson. We will probably work on our Awana book. There is some writing to do and if I need help I will ask. People want to help me when I need it.

When I go to large group, I will sit on the floor and listen to the story. I will sit by someone who I will not be tempted to talk to. If I have something I want to say, I will raise my hand. This is respectful to the speaker and my peers.

At about 8:00, my parents will come to pick me up. Then, it is time to go home.
