# Philosophy of MINISTRY

## We believe that...

- Children are a part of God's plan. Genesis 1:28
- Children need to be taught and guided. Proverbs 22:6
- Children begin their spiritual journey as infants. 2 Timothy 3:14-15
- A child's faith foundation should be laid in the home and is supported by the Church. Deuteronomy 6:7
- Children need structure to flourish. Proverbs 29:17
- Children are valued, treasured, and blessed by God. Mark 10:16

## We desire to...

Invite children and families into a deeper love for God, His Word, and others.

Equip and disciple children and families to grow as followers of Jesus Christ.

Challenge children and families to live their personal faith through word and action.

connect · grow · go

## VISION Statement

Through a partnership with parents, we desire to provide a nurturing environment where children are welcomed, loved, and safe, and where they are challenged to grow in their faith in Jesus Christ.

## P A T H W A Y of Spiritual Development

### Nursery

God loves me. I experience God's love at Salem. Salem is a safe place for me.

### Preschool

God's Word is truth. I experience friendship and care. I know what sin is and can have a relationship with Jesus.

### Early Elementary

I learn about and experience the character of God through lessons and community. I can know God's Word at a deeper level and connect it to my life.

### Upper Elementary

I experience opportunities to use my gifts to serve God. I can deepen my faith by studying the Bible and asking questions. The purpose of my life is to bring glory to God.
