## OUR VISION

We feel so blessed to be able to have Thrive Ministry at Salem Covenant Church. Our vision is to serve and empower individuals with unique needs and disabilities to deepen their love for God, his Word, and his people through intentional support while growing as Christ-followers. Through this ministry, we seek to increase accessibility to our programs and provide new opportunities for individuals to grow through cultivating a Christ-centered community—regardless of needs.

## OPPORTUNITIES

Our immediate service opportunities entail providing children access to Wednesday and Sunday programming through additional support and encouragement. We also host events for disability-touched families on the second Friday of each month, and provide support at all-church events. Do you have a heart for serving children with unique needs? Opportunities exist for volunteering for as little as one hour a month!
