## Regular Opportunities to Serve Together

Feed My Starving Children and Every Meal service opportunities will be offered regularly throughout the year. Watch for information and sign-ups.

### VISION STATEMENT

We exist to provide connecting opportunities through a holistic ministry within and beyond the Salem community to strengthen spiritual growth, stimulate intellectual curiosity, promote healthy living, and enrich social, community, and missional involvement.

As we continue the journey this year, we will focus on

**FELLOWSHIP** which includes food and fun, **SERVICE** experiences that foster relationships through working together, and **COLLABORATION** with other ministry teams.

Join others from the JOURNEYS group as they engage in existing Salem ministries.
